INFORMATION & REPORTS

A. Art Travelers Trip

Ms. Dahlquist and Ms. Pomorski shared their travel experiences with students from KHS that took part with the Art Travelers group to Greece this past summer. 14 students, along with adult parent chaperones experienced a guided tour through some of Greece's most famous cultural and historical destinations, along with a cruise of the islands that followed. Rachel Muzamhindo, KHS 10th grader, shared her experiences and adventures with the Board, adding that she developed friendships with many other travelers she met from other parts of the world and had an amazing time. The Board shared appreciation to Ms. Dahlquist and Ms. Pomorski for their leadership and for providing this learning opportunity to our Kelloggsville students.

B. Summer Facilities Projects

Mr. Skinner presented an update on the list of projects that were completed over the summer throughout the district. He thanked Denny Ricketson who assisted by overseeing the crews that were responsible for cleaning the buildings so that Mr. Skinner could attend to other projects that were simultaneously taking place such as; new roofing upgrades at KMS, continued construction of the baseball & softball sports plaza, irrigation and fencing throughout the district, and other various projects. He added that 90% of the summer work orders were completed along with some extra additions, making this a very successful summer of project completions.
