West Kelloggsville Elementary

Learning the butterfly cycle at West Kelloggsville!

Young learners at West KV have been exploring the amazing life cycle of butterflies in their classrooms recently. After observing the stages of growth for several weeks, they finally had the joyous opportunity to set free their adult butterflies. The students were absolutely thrilled as they watched their beautiful butterflies take flight and soar away into the sky!

54th Street Academy

Harvesting at 54th Street

The goal of this project is to show students how they can grow their own food. After doing research on plant reproduction, students were able to choose a fruit or vegetable to dissect in order to remove seeds. Students began to regrow plants either from seeds or scraps of the plants. The students were able to choose to plant directly in soil or grow them hydroponically (in water). Students are able to take all of the plants grown and plant them in the ground outside the school. Plants include various beans, onions, potatoes, tomatoes, garlic, lettuce, and even a pineapple.

Another State Esports Championship!

The state finals of MiHSEF took place at the start of May, where the Blue and Orange teams gave it their all! The Blue team, consisting of Kenny Nguyen, Kevin Nguyen, and Alberto Estrada, faced Grand Rapids Christian in the third round. Although they initially lost and moved to the loser bracket, they showed incredible determination. They fought back, defeating every opponent and securing a spot in the final against Grand Rapids Christian again!

Despite needing to beat Grand Rapids Christian twice due to an earlier loss, the team never gave up.

4x100 and 4x200 Relays State Qualifiers

Central Kelloggsville Elementary

Central KV Musical

The amazing third and fourth grade students at Central KV recently showed off their incredible musical talents during their spring musical, and it was absolutely fantastic! KHS Auditorium was buzzing with anticipation as each group of students took the stage to perform their pieces. The students worked really hard to prepare for the show, and their dedication truly paid off. They were all beaming with pride as they sang!

Food Service

New Food Service Director at Kelloggsville

Kelloggsville is excited to announce the new Food Service Director, Erin Hazel. Erin has earned a Master's Degree in Business Administration from Louisiana State University and a Bachelor of Science Degree in Nutrition and Dietetics from Western Michigan University. Suburban-rural swap illustrates similarities, differences between high schools

by Beth Heinen Bell, School News Network

Kent City, Kelloggsville — They were working on an assignment in a Kent City High School economics class when suddenly, Cheyenne Maloley's eyes widened and she turned to her seatmate, Tina Le.

"The water! We forgot the water! You have to try the water here," Cheyenne, a Kent City junior, whispered excitedly to Tina, a Kelloggsville High School senior...

Have you signed up for your ParentVUE account? This is how Kelloggsville will be completing registration for the 2024-2025 school year!

First, you will get to this page by going to kvilleps.org and clicking Synergy at the top of the site.

You will then click "I am a Parent." If you are using the ParentVUE app, please enter 49548, Select Kelloggsville, and then choose "Yes." From here, you will need to select "Activate Account."

Please read through the Privacy Statement and choose "I Accept" if you wish to continue setting up your account. Please enter your first and last name as it has been typed on the activation letter you received from your student's school. The activation key will also be listed on your student's letter. This information is how your parent account is connected to your student's account. If you have multiple students in the district, you only have to create one ParentVUE account. All Kelloggsville students should populate on your account. If not, please submit a tech ticket so we can fix that for you.

The next step will be to create a unique username and password. We do suggest writing this down somewhere safe. The e-mail address entered will be shared with the school and is how teachers and staff will communicate with you and send important information home.

Your ParentVUE account has been created! Here, you will find your student's information, and if you have multiple students, you can choose which student you would like to view.

Aquinas College Honor Band

Alvin Nguyen, Eman Marasigan, Berlina Mubake, Jonathan Mubake, Joel Mubake, Malcolm McLaughlin

Grand Rapids Community College Honor Band

Cayden Duursma, Alvin Nguyen, Connor Farrish, Malcolm McLaughlin, Joel Mubake

Congratulations to all of the students who represented Kelloggsville at the MSBOA District 10 Solo and Ensemble in February. The following students received a First Division Rating and moved on to State! Connor Farrish (Alto Saxophone Solo and Snare Solo), Belinda Medina-Triano (Bass Clarinet Solo), Brandon Hamilton (Trombone Solo), Berlina Mubake (Tuba Solo), and the Brass Quartet of Joel Mubake, Cayden Duursma, Lohz Perez and Malcolm McLaughlin.

Una Voce

Una Voce, the advanced treble choir at KHS, traveled to Ottawa Hills High School to compete in the MSVMA District Solo & Ensemble Festival. These talented singers performed incredibly well and not only improved on last year's score by a point, but also qualified for the State Festival for the second year in a row!

Kelloggsville Middle School

Spring Into Summer

140 people attended the Spring Into Summer event that was put together at Kelloggsville Middle School this spring. Attendees had the opportunity to enjoy free books, a free dinner, family games, and a World flag scavenger hunt. They then were able to vote for the students' door decorating contest and had a chance to win 6 raffles that included a basket with Whitecaps tickets, free Spectrum bowling games, zoo tickets, more free books, sports equipment, and many other great prizes! Mrs. Miheve put together a great community event for KMS students!

54th Street Academy

Gardening at 54th Street

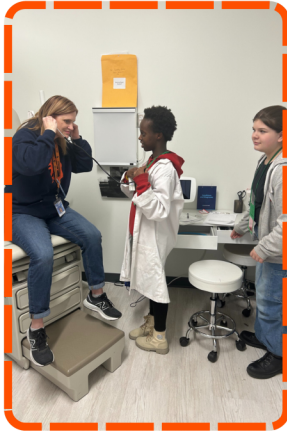

Gardening at 54th Street 54th Street Academy science students applied their agriculture knowledge while also taking ownership of beautifying their school. Students germinated seeds during class and then created a garden that can be harvested in the fall. Students planted a wide variety of flowers as well which were generously donated by Walter Gardens. The Administration Office and Kelloggsville Maintenance Department went above and beyond providing shovels, gloves, soil, and mulch. Despite the heat, students loved getting their hands dirty!

Kelloggsville Middle School

KMS Students Attended Junior Achievement Biztown

Around 100 students attended the Junior Achievement (JA) Biztown, which provided a simulation of how businesses and the economy are connected and what it takes to be employed. Students selected a profession as part of the simulation and completed twelve business lessons. Students were able to choose between many different professions such as: CEO's, CFO's, managers, workers, and one KMS student was named the mayor of Biztown.

Southeast Kelloggsville Elementary

Brother and Sister: Southeast to KHS Graduate

Kelloggsville High School students take one last look around the district on their last day of high school and visit each building with their senior walk. Ms. Berlanga's 1st-grade class at Southeast Elementary created mini congratulation posters to greet those seniors on that final walk. Christopher Magris-Morales was excited to cheer for his favorite senior, his sister Johana Miranda-Morales!

Central Kelloggsville Elementary

Ice Cream Truck Reward

A SOAR celebration was held at Central Kelloggsville Elementary for all students who had no write-ups during the month of April, with a visit to an ice cream truck! This fun event is an annual tradition for Central students, who show outstanding behavior all month. Keep up the amazing work, Rockets!

Secure Storage Initiative

At Kelloggsville we are committed to the safety of our students, staff, and families. On May 20th, the Kelloggsville School Board passed a Secure Storage Resolution to show our commitment to sharing helpful information and raising awareness about the importance of secure firearm storage in order to make our Kelloggsville community a safer place for all.

Did you know that firearms are the number 1 killer of children and teens in the United States?

Let's Be SMART for Kids by following these simple steps:

S: Secure all guns in your home and vehicles

M: Model responsible behavior around guns

A: Ask about the presence of unsecured guns in other homes

R: Recognize the role of guns in suicides

T: Tell your peers to Be SMART

We would like to give a special thanks to our Resource Officer Mitch Rackow and the Wyoming Police Department, which have generously provided us with FREE gun locks for Kelloggsville families. If you are in need of a FREE gun lock, you may pick one up at the Admin Office (242 52nd St SE). Their summer hours are 8:00am to 3:00pm Monday - Thursday. FREE gun locks will also be available at Rocket Registration.
